

DESIGN IN AN AGE OF CRISIS URGENT: OPEN CALL FOR RADICAL DESIGN THINKING U18 YOUNG PERSON'S BRIEF

Design In An Age Of Crisis is a global OPEN CALL. We want to hear your radical design thinking about the world you want to live in. How can we create healthier, greener, equal and prosperous societies?

YOU WILL HAVE THE OPPORTUNITY TO BE:

- 1 Selected for an online exhibition, Design In An Age Of Crisis, from Autumn 2020
- 2 Exhibited at the London Design Biennale at Somerset House in June 2021
- 3 Considered for further development and implementation by Chatham House

THE BRIEFS

ENVIRONMENT

Building back greener: how can we design better places?

HEALTH

From illness to wellness: how can design make it easier to be healthy?

SOCIETY

Empowerment and equality for all: how can design help empower everyone?

WORK & SCHOOL

Making it work for us: how can design make work and school more relevant?
