

Upper School Winter Concert: MONDAY 11TH DECEMBER

8th December 2017

Dear Parents,

As promoted in the school newsletter, the Winter Concert takes place on Monday 11th December, in Jubilee Hall, at 7pm. We expect the show to end at approximately 9.30pm. There are lots of acts planned with choirs, groups and soloists including the new D1 Country Band!

Information for performers

If your child is performing in the choir, they have been asked to attend a rehearsal during period 7 on Monday and can go home at the normal time. If your child cannot go home and return they are welcome to stay at school and study in H1 (Jubilee Building) and the room will be supervised for study. If they are staying in school, please ensure they bring a snack to eat before the concert.

The jazz band will be needed for a rehearsal during their regular practice time after school on Monday. They are welcome to study (and have a snack) in H1 between the rehearsal and the concert.

We would like all the performers to arrive at Jubilee Hall by 6pm on the evening of the concert.

The dress code for performers is smart casual, with Christmas jumpers and music t-shirts welcome.

Information for the students supporting the concert

Some students are kindly assisting with the logistics of the show and will be needed after school and/or at 6pm. These students have been advised.

Information for the audience

Students and any parents attending the event need to have reserved their places at the link here [We need to know in advance for planning refreshments as well as health and safety so do reserve your free place by Sunday evening. Doors will not open until 6.50pm.](#)

Refreshments and donations

To complement the joyous music, we will be serving mulled wine and mince pies, as well as soft drinks and other snacks. The show will raise money for the Nepal Schools Project so please bring some cash for donations!

We look forward to getting into the festive spirit with you on Monday!

Kind regards,

Andy Atkinson
Upper School Principal
